PRODUCERS' QUESTIONNAIRE

CARBON STEEL BUTT-WELD PIPE FITTINGS FROM BRAZIL, CHINA, JAPAN, TAIWAN, AND THAILAND

Return completed questionnaire to:

UNITED STATES INTERNATIONAL TRADE COMMISSION

Office of Investigations, Room 615 500 E Street, SW, Washington, DC 20436

So as to be received by the Commission by no later than July 11, 2005

The information called for in this questionnaire is for use by the United States International Trade Commission in connection with its antidumping review investigations concerning carbon steel butt-weld pipe fittings from Brazil, China, Japan, Taiwan, and Thailand (invs. Nos. 731-TA-308-310 and 520-521 (Second Review)). The information requested in the questionnaire is requested under the authority of the Tariff Act of 1930, title VII. This report is mandatory and failure to reply as directed can result in a subpoena or other order to compel the submission of records or information in your possession (19 U.S.C. § 1333(a)).

PART I.--GENERAL QUESTIONS

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 40 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

| Selling expenses | | |
| General and administrative expenses | | |
| Total SG&A expenses | | |
| Operating income or (loss) | | |
| Other income and expenses: | | • |
| Interest expense | | |
| All other expense items | | |
| Continued Dumping and Subsidy Offset Act funds received ³ | | |
| All other income items | | |
| All other income or expenses, net | | |
| Net income or (loss) before income taxes | | |
| Depreciation/amortization included above | | |

¹ Include only sales (whether domestic or export) and costs related to your U.S. manufacturing operations.

Less discounts, returns, allowances, and prepaid freight. The quantities and values should approximate the corresponding shipment quantities and values reported in Part II of this questionnaire.

3 Please report funds received under this act in the period(s) in which they were received. Do not report these funds as

an offset to operating expenses.

PART III.--FINANCIAL INFORMATION--Continued

III-7a. Asset values.--Report the total assets associated with the production, warehousing, and sale of carbon steel butt-weld pipe fittings. If your firm does not maintain some or all of the specific asset data in the normal course of business, please estimate it based upon some rational method (such as production, sales, or costs) that is consistent with your cost allocations in the previous question. Your finished goods inventory value should reconcile with the inventory quantity data reported in Part II. Provide data as of the end of your six most recently completed fiscal years in chronological order from left to right.

Section IV-A.--PRICE DATA

This section requests quarterly quantity and value data on your firm's U.S. shipments of the following products during January 1999-December 2004. Values should be for arms-length sales to unrelated U.S. customers, f.o.b. U.S. point of shipment, net of returns, refunds, discounts, and credits.

Product 1.—Elbows: Carbon steel butt-weld, 4-inch nominal, 90 degrees, long radius, standard weight fittings.

Product 2.—Elbows: Carbon steel butt-weld, 6-inch nominal, 90 degrees, long radius, standard weight fittings.

Product 3.—Tees: Carbon steel butt-weld, 4-inch nominal, standard weight fittings.

COPY THE FOLLOWING PAGE AS NECESSARY. Complete a separate page for each of the specified products produced and sold by your firm. Indicate in the space provided at the top of the page the product for which pricing is reported.
